

# AggregateOps — Utah Production Guide

- All-in-one tools for aggregates: state spec road base, equipment configuration, and screen selection.
- Utah DOT specs mapped to practical plant setups (crushers, screens, belt speeds).
- CoxAggs white-label option for producers and resellers.
- Simple pricing: Lifetime license or subscription; direct pay via Stripe, PayPal, or Cash App.
- Installable PWA: Works offline for field crews; share via QR code.
